

## Professional Conduct Decisions

The summary of decisions in this table is provided to demonstrate the open and transparent nature of the College's professional conduct review process. The decisions were made in response to complaints received by the CDHM. The information also is presented to educate registrants on the types of actions, behaviors, conduct and activities that result in discipline or censure. We believe this information can help RDHs avoid similar situations.

<b>Date Complaint Received</b>	<b>Complaint Category</b>	<b>Decision</b>
July 2008	Professional Misconduct	Cease and Desist
