School of Dental Hygiene program to apply to the CDHM Student Register.

Registration Checklist for All University of Manitoba Dental Hygiene Students

This check list outlines the registration requirements for dental hygiene students applying for registration to the CDHM Student Register. Registration on the CDHM Student Register is mandatory for all Manitoba dental hygiene students.

- Proof of Picture Identification** scan or image of any government issue picture Identification.
 - Driver's license
 - Valid passport
 - Canadian citizenship certificate card
 - Permanent residence card
 - Canadian Forces identification card

- Completion of a CPR - BLS course in the last 12 months.** For more information on applicable courses see: [Practice Direction for CPR](#)

- Payment of the application fee on submission and practicing fee once approved.***
 - Payments must be made online by Credit Card or Interac e-Transfer.
 - For the current list of fees see CDHM Fees and Payments on the CDHM Website.

NOTE: All University of Manitoba Student applications and renewals must be submitted by October 15th. Failure to submit by the deadline will result in a \$25 late fee being applied to your account.

Important: Those who are entering the DH3 Program: You do not need to reapply; you only will need to complete a renewal of your student registration through the CDHM account you created last year. The same deadlines will apply. If you need help accessing your account or completing your renewal, contact the CDHM office first.

All requirements for registration are set out in The Dental Hygienists Act section 9(1) (a) to (f) and the Dental Hygienists Regulation sections 8 to 12.
